

Catherine Artzt is the founder of French Broad Cannabis, makers of Bhūmi and Of The Earth hemp product lines which integrate herbalism, aromatherapy, and chocolate into targeted and high quality hemp products. She also owns Brevard Hemp, a hemp retail store with 3 locations in Western North Carolina.

Catherine comes from a robust quality assurance background in nutraceutical and cannabis fields. Her systems have successfully passed over a dozen audits, including FDA, GMP, SQF, and USDA.

Her dedication to natural medicine became personal when Catherine began battling a chronic pain condition in 2014. She is HACCP Production Leader Certified and holds a Bachelors in Psychology.

At home, Catherine enjoys running farmstead where she keeps gardens, chickens, and goats with her husband.
